SUBJECT: PRESIDENT SALEH REQUESTS ACCESS TO BETHESDA NAVAL  
MEDICAL CENTER

President Saleh recently requested post's assistance to schedule a standard physical exam at the Bethesda Naval Medical Center during his upcoming visit to Washington. The Republic of Yemen Government will pay all related costs. Post requests Department assistance in arranging an appointment on November 11. Yemen is a key partner in the GWOT and allowing Saleh access to Bethesda will contribute positively to our bilateral relationship.
